

High Torque Trash Remover

Kit# 151395 and Kit# 153705

In a continuing effort to offer the most effective parts in the industry, Oxbo is now offering a new high torque trash remover, 2-kicker kit number 151395 or 4-kicker kit number 153705. This product will remove sticks and other debris from buckets while leaving the fruit untouched.

Model	Year Range
All XL Grape Harvesters	
3016XL	2005-Present
316XL	2006-Preset
3216XL	2006-Present
3209XL	2008-Present
All 4012 and 4420 Harvester Units	
All 6220 and 6420**	

**These harvesters were built with a High Torque Trash Remover

Advantages

- Minimize bucket breakage
- Improve the cleaning of the fruit
- Utilizing a high torque motor offers a consistent cleaning rate for the buckets
- Flexible and durable fingers allow for better cleaning
- Easier repairs and adjustments with new tapered lock hub

"After installing these new trash removers, I didn't break a bucket all season!"
 -Scott Weis (Vineyard Owner in Kerman, CA)

Also available with the NEW 4-Kicker Hub Option, Kit# 153705!
